MacIntyre Housing Association will make sure their tenants live in homes that are well looked after

MacIntyre Housing Association will look at the condition of its properties and set up a plan to make sure the properties are well looked after. This is called a major repairs and maintenance plan.

We will talk to you about:-

- What needs to be done;
- When works will be done;
- Choices you can make;
- How we will report on what is happening.

We aim to offer and give as much choice as possible to tenants

We will make sure that fittings in main areas are kept up to date. The main areas are:-

Kitchens	Bathrooms
Central Heating	Rewiring
Roofing	Windows
External doors	Paths

We can give a full list of areas to anyone who would like to see it.
